Carrier Rate Confirmation Terms

Unless otherwise noted, Carrier is responsible for making sure equipment/commodity is loaded correctly by shipper and within legal dimensions and weight for specific trailer type being used. If the shipper refuses to load your trailer due to the condition of your equipment, then we will not pay a Truck Order Not Used. Once carrier leaves the shipper's yard, they assume any and all responsibility for damage incurred from improperly loaded machinery. In the event you do not fulfill the terms of this agreement, you will be subject to any and all fines associated with the service failure beginning with \$250 per day that you are late. Loads that require tracking but are not fulfilled by carrier may result in a deduction to the agreed upon rate. THIS RATE CONFIRMATION IS NOT AN ACCEPTABLE FORM OF A PROOF OF DELIVERY AND DOING SO COULD RESULT IN A FINE.

Billing Requirements:

Invoices must include ALL pages of the BOL. If the BOL is a multipage document (e.g the BOL is five (5) pages, all five (5) pages must be included with the invoice. Failure to produce all the pages of the BOL may result in deductions of \$100 per load. It is the drivers responsibility to not leave the shipper or consignee with missing pages.

Invoices not submitted within 60 days of the scheduled ship date as indicated on the ALCS rate confirmation will be deemed waive.
